

**Community Vibrancy Task Force Meeting Notes**  
**Wednesday, June 8, 2016**

- **Jennifer Evins, CEO of Chapman Cultural Center, gave an overview of the work being done in Spartanburg to map their cultural assets.** To view the slides from Jennifer's presentation please [click here](#).
- **Create an inventory of the Upstate's cultural assets.** Spartanburg County is on the cusp of completing cultural asset mapping for the entire county. If each county in the Upstate were to do the same thing and we leveraged those assets regionally, we can strategically position the Upstate as a leading tourism destination.
- **Volunteers needed to compile cultural inventory.** For each county, an individual or team will lead the compilation of the inventory using the attached spreadsheet for consistent formatting. The following individuals have volunteered:
  - Cedric Adderley (Greenville County)
  - Debbie Bell (Greenville County)
  - Paula Angermeier (Greenville County)
  - Stephanie Rainey (Greenville County)

**Next Steps**

- **Volunteer to work on inventory in your county.** Please email Tiffany Tate ([ttate@tenatthetop.org](mailto:ttate@tenatthetop.org)) if you are able to offer your time and expertise. It is our goal to have each county's inventory complete by the end of September. All inventories will be collected by Tiffany, which will be combined into a regional inventory during October.
- **SCPRT and other tourism organizations will be in Spartanburg in February 2017 for the Governor's conference.** It is the goal of the task force to have a regional inventory and collective tourism message prepared by this date.
