

**Upstate Air Quality Advisory Committee Meeting
Tuesday, June 14, 2016**

- **New Clean Air Upstate Public Service Announcements with Media Partner, WSPA** – Please feel free to share the videos and help spread the word about the importance of clean air.
 - [Click here](#) to view PSA #1
 - [Click here](#) to view PSA #2
 - [Click here](#) to view PSA #3
- **Announcement of the J. Dan Powell Electric Vehicle Charging Station Matching Grant Program** – This new grant program, which was the idea of the late J. Dan Powell, provides a 50% reimbursement for materials needed for installation of a charging station. This grant has been graciously funded by Duke Energy. Please see the attached document for additional information.
- **[Click here](#) to view the slides from presentations made during the meeting:**
 - Keith Brockington, GPATS: TIGER Grant Status and Its Impact on Air Quality
 - Tommy Flynn, SCDHEC: Upstate Air Quality Update
 - Andy Hollis, SCDHEC: Multi-Pollutant Reduction Strategy Pilot Project

Next Steps

- **Coordinate regionally for 2017 Air Quality Awareness Week** – In upcoming meetings we will discuss how we can coordinate air quality events during the first week of May.
