

Human Potential Task Force Meeting Notes

Wednesday, June 15, 2016

- **Child Well-Being Network Update** – The Leadership Team and each of the four workgroups have each met twice in 2016. Another round of meetings for the network will be scheduled for late summer to early fall. Prior to the next round of meetings a survey is being conducted to learn about best practices and successful models for child well-being around the Upstate. *If you would like to participate in the survey please [click here](#).*
- **Senior Issues Group Update** – Workgroups looking at access to healthy food and housing & home needs have compiled inventories of Upstate organizations and programs serving seniors. The inventory will be mapped and turned in to a tool to be used by service providers, as well as the public. A senior needs communication campaign will be created as a joint effort between the two workgroups.
- **Upstate Warrior Solution (UWS)** – UWS is a nonprofit organization that helps connect warriors and veterans with services to help obtain education, housing, careers, healthcare, and other services needed to adjust to civilian life. Check out www.upstatewarriorsolution.org for additional information.
- **Human Potential Task Force Member Announcements:**
 - Health & Wellness Field Day, July 30th 10AM – 1PM, St. Mary’s Catholic Church: free screenings (mammography, dental, vision, hearing, blood pressure, glucose, etc.); limited free services as result of screenings (fill cavities, etc.); fun events for children, options to host booth (free for nonprofits, \$250 for businesses); free to attend
 - 7 Week Financial Literacy Summer Series, Every Friday at 4PM – 5PM beginning June 24: Free to attend; registration recommended. [Click here](#) for more details; [click here](#) for registration

Next Steps

- Consider joining a Child Well-Being or Senior Issue workgroup if you are not already a member. Contact Tiffany Tate (ttate@tenatthetop.org) for additional information.
