

Ten at the Top 2016 Mid-Year Update

Initiative Highlights

The J. Dan Powell Electric Vehicle Charging Station Matching Grant

Funded by Duke Energy, the grant was created to help nonprofits and governmental agencies install charging stations.

Increasing Awareness of Community Resources

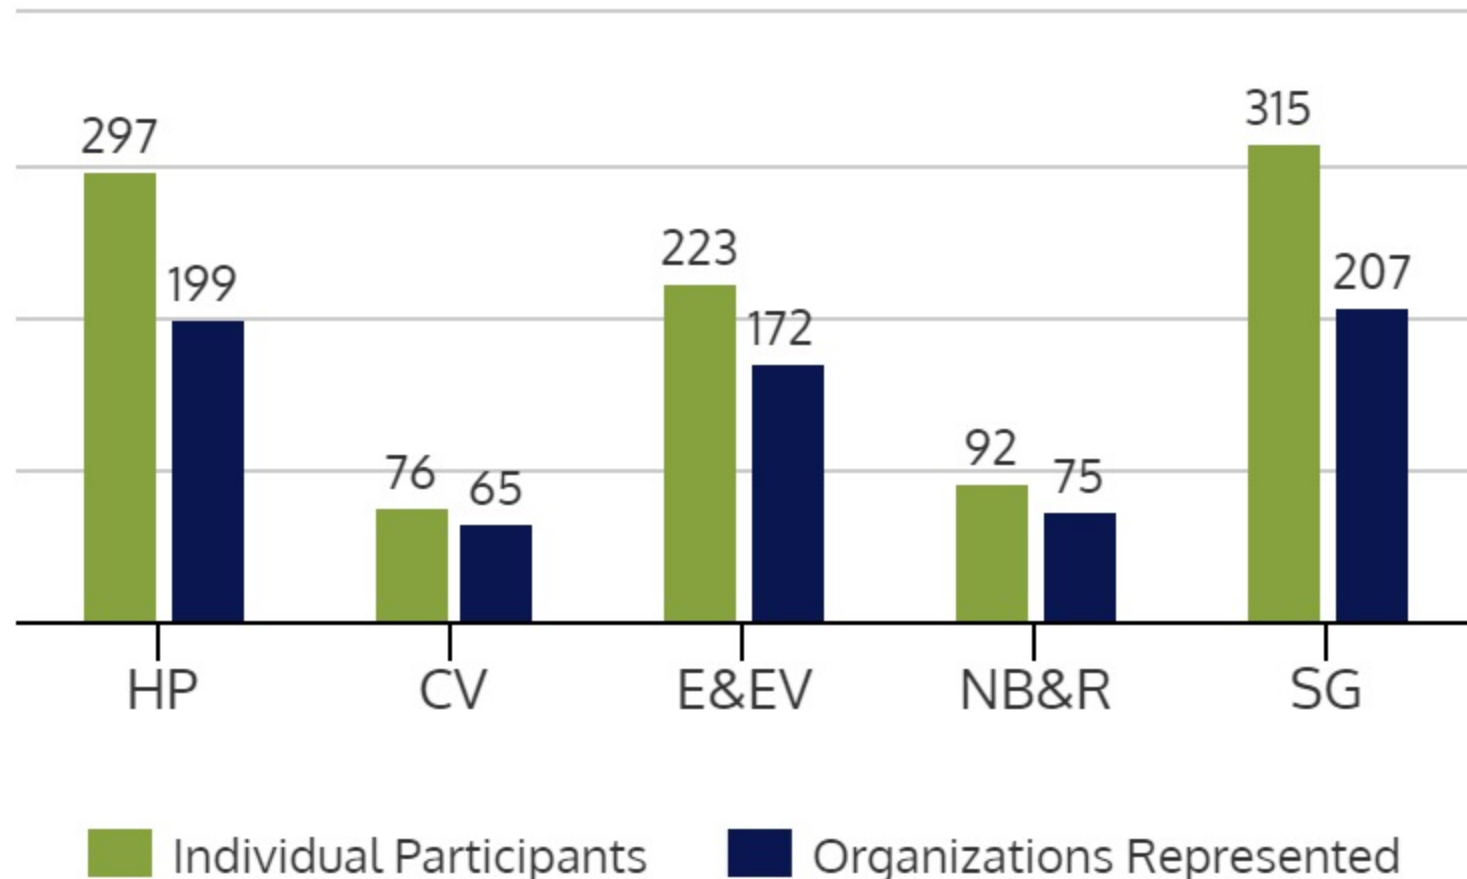

Several working groups created inventories of services & organizations in the Upstate to serve as a tool for the public & service providers: senior housing & home needs, senior food assistance, child services, natural resources & outdoor parks.

Child Well-Being Network

The creation of the Upstate Child Well-Being Network which currently includes 80 organizations that support the needs of children in the region.
